**PURPOSE OF VISITS:**

- Enhance the score of future Consolidated Applications submitted on behalf of the Balance of State Continuum of Care
- Promote grant reviewers' understanding of projects
- Offer projects an opportunity to highlight their successes and discuss compliance challenges so that technical assistance needs might be identified in a timely manner
- Provide funded agencies with a venue to provide input on ways in which Council could be more supportive in the future
- Promote the exchange of information between projects

**SITE VISIT TEAMS**

- Team Leader – CoC Committee Member
- Project Representative from Council
- Any other Council member who would like to participate

**SITE VISIT PARTICIPANTS (some may be the same person)**

- Project Executive Director or designee
- Local Project Board Member
- Grant Project Manager
- Front Line Staff – person who works with clients
- Encourage Project to invite local legislator and any other local persons who they believe would benefit
